MERCURY MERCUISER

MERCUISER 4.3L V6

EASY OWNERSHIP

When it comes to developing a product that is easy to maintain, MerCruiser has it covered. From simple-to-access oil filters to straight-forward service directions, owning a MerCruiser engine has never been easier.

- **Easily check or add lubricant** from inside the boat with the engine-mounted drive lube monitor.
- **Draining water is a snap** with MerCruiser's standard single-point air-actuated water drain system.
- Oil changes are **cleaner, quicker and simpler** via convenient top-mounted remote oil filter and threaded dipstick tube.
- Checking fluid levels is **simple and straightforward** using color-coded service points.
- The 4.3L runs on **less-expensive and easy-to-find** 87 octane fuel.
- **3-year/300-hour maintenance interval** on many periodic service items saves time, money and, keeps you on the water.

PROVEN RELIABILITY

- **The exclusive Engine Guardian protection system** provides protection from overheating, low oil pressure or low drive lube levels. Engine Guardian virtually eliminates any chance for engine damage.
- Industry-leading **anti-corrosion protection** featuring MerCruiser's closed cooling, MerCathode galvanic corrosion-prevention system and optional SeaCore™ system.

POWERFULLY GREEN

MerCruiser's Emissions Control Technology allows us to keep the performance you demand, while improving fuel efficiency and protecting the environment. **Something we can all feel good about.**
